

From QUILTMAKER magazine's Special Collection of Quilting Motifs

Breezy Blossom

From QUILTMAKER issue #37,
May/June 1994

<http://www.quiltmaker.com>

Our 'Breezy Blossoms' motif makes quick work of quilting! Center a single motif within an open block, or string several motifs together for a border treatment. Need an all-over element? Pair a few petals in rapid rows across your quilt.
